

2023 Presbyterian Church of Okemos
Endowment Fund Info./ Grant Application Instructions

The Endowment Fund (EF) was created as a mechanism to generate income from investments to fund special grant requests for uses **not funded within the church's normal operating budget**. The Endowment Fund Committee (EFC) is appointed on an annual basis to oversee fund investments and to manage request and disbursement policies. Six EFC members serve staggered three-year terms.

The EFC's policy is to split fund profits between growing the principal and funding grants. EFC's 2023 starting available grant balance was \$22,000. based on our principal. Our principal at the end of 2022 was \$364,911.

Grants are reviewed and voted upon on a timely basis and must be submitted **at least two weeks prior to the date funds are needed**. Except in special circumstances, **grants must be used within one year of fund disbursement**. Unused funds will revert to the EF at the end of the grant period.
